CHAMBER OF COMMERCE MEETS.

Pursuant to the call for a meeting of the Hondo Chamber of Commerce—which means every citizen of Hondo—there was a gathering of the public spirited citizens of the community at the Colonial Theatre last night.

Prof. J. G. Barry, Chairman of the Board of Directors, presided, and re-stated the purpose of the meeting as published in the call.

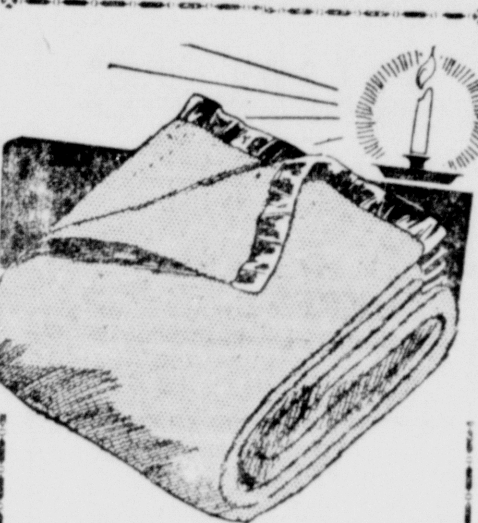

Geo. Carle, S. A. Jungman and O. A. Fly were elected members of the Board of Directors, succeeding Geo. Carle, re-elected, and Judge H. E. Haass and H. F. King, whose terms had expired.

It was decided to continue the support of the night watchman and the city lights by popular subscription. Geo. Carle was made chairman of the Committee on Funds and W. H. Case, Richard Reilly, Rudolph Rath, and W. T. Crow were selected as Committeemen to assist. It is the duty of these gentlemen to solicit every citizen and property owner of Hondo for funds to carry on the affairs of the city. The amount will impose no burden on any one if all contribute, and every one should feel it a privilege to have a part in this voluntary promotion of the community welfare. Meet the committeemen with a smile and an open purse.

Informal discussion of the fire defense equipment for Hondo brought out the fact that a few active young men are needed to man the equipment, and the present members were asked to secure new members. In this they should have the assistance of the entire citizenship and the voluntary co-operation of those physically fit in manning the fire apparatus.

THE DR. TAYLORS ENTERTAIN.

The members of the medical and dental fraternity of Hondo were honored with a dinner party Wednesday night, with Dr. and Mrs. O. B. Taylor as hosts. Following a sumptuous turkey dinner, the guests enjoyed several games of bridge. Prizes were awarded Dr. and Mrs. T. B. Knopp. The personnel included Dr. and Mrs. W. H. Smith, Dr. and Mrs. T. B. Knopp, Mrs. H. J. Meyer, Dr. John Henry Meyer, Mrs. Fred Spilker of New York City and Dr. and Mrs. Taylor.

The Purpose of Deposit Insurance

When Congress created the Federal Deposit Insurance Corporation its primary objective was the protection of depositors. This Corporation began insuring deposits January 1, 1934. It is a permanent organization.

It now insures deposits in a great majority of the banks, including this institution. As a result, millions of depositors enjoy a degree of financial security heretofore unknown. When you have money on deposit here you know for a certainty that your deposits up to \$5,000 are fully safeguarded against loss. Deposit insurance is for your protection.

HONDO STATE BANK

METHODIST CHURCH.

Shan M. Hull, Pastor.

The Woman's Missionary Societies of the Uvalde Zone met at the Hondo Methodist Church Wednesday, January 22, in their regular Quarterly Zone Meeting. The following towns and churches were represented in the meeting: New Fountain, Yancey, Sabinal, Utopia, Uvalde, and Hondo. We regret that there were some of our churches that were not represented. The meeting was very inspiring and helpful from start to finish. Several helpful and inspiring messages were heard during the day, from the following: Rev. J. J. Mason, our new Presiding Elder for the Uvalde District, conducted the devotional at the opening of the day's program, speaking from the Scripture verse, "Be not weary in well doing"; Mrs. Craig of San Antonio, President of the West Texas Woman's Conference, delivered a most encouraging and helpful message, mainly from two thoughts, "Having a real passion for souls" and "Don't stop until we win our women for the Missionary Societies"; Mrs. W. A. Sandler, also from San Antonio and Vice President of the West Texas Woman's Missionary Conference, brought a soul stirring message on "The Duty and Place of Vice Presidents in the Woman's Missionary Societies"; Mrs. (Mother) Culbertson, Superintendent of the Mission Home and Training School of San Antonio, told us of some of the wonderful things that were being accomplished in the Home, and also spoke briefly from a verse of Scripture which says, "Follow me, and I will make you". This message, like all of Mother Culbertson's messages, was soul stirring and heart warming. Mrs. Bunting, of Uvalde, delivered an appreciated message on "Devices for making programs; her message, like all of the others was helpful and inspiring. Rev. Robert Paine, pastor of the New Fountain Church, brought an "Eyes-Opening" message on the subject, "Methods of financing the Church Program". The main thought presented in this talk was the place of tithing in a Christian's life. Mrs. Glenn Harper of Utopia, read a well prepared paper on the subject of "Sacrificial Service". Rev. Jenkins, pastor of the Utopia Church, conducted the afternoon devotional, reading and making a brief comment of the 1st Corinthians, 13th Chapter, especially emphasizing the thought of charity one toward another. Hondo Church brought two specials during the day, one a trio by Misses Mary Ruth and Thelma Wilson, and Miss Bernice Chancey, accompanied at the piano by Mrs. R. C. Rath. Miss Velma Carter gave a violin solo, accompanied at the piano by Mrs. O. A. Fly.

One of the greatest things about the day was the nice appetizing meal that was served at noon to 82 people, and the wonderful and beautiful spirit of cooperation that was manifested by the Missionary Ladies of the Hondo Church in caring for the meal and handling the crowd. The next Zone meeting will be held some time in the Spring, at Leakey.

Let us again remind our people of the Training School that is scheduled to be held at Hondo, beginning February 9, running through the evening of the 12th. The participating Schools and Churches will be Yancey, New Fountain, Hondo and Sabinal. Mrs. J. A. Horger will be Chairman of the Board of Managers for the School with the following members of her Board, Mrs. E. B. Kincaid, Sabinal; Mrs. J. G. Weekly, Yancey; and Mrs. Marvin Schweers, New Fountain. Let's make our plans for a full attendance at this school.

A GOOD BUY.

The Upton McGary homestead in the south part of town, large roomy house with all city conveniences and modern improvements in good state of repair is for sale at a reasonable price and on terms to suit satisfactory party. House situated on all of Lot 4 and part of Lot 5, in Block 6, and in short walk to postoffice and both schools. At the price a good buy either for one wanting a good comfortable home or an investment in Hondo. For further particulars see either Fletcher Davis or George H. Kimmey, the agents.

THE DOCTORS ARE RIGHT

Women should take only liquid laxatives

Many believe any laxative they might take only makes constipation worse. And that isn't true.

Do what doctors do to relieve this condition. They use a liquid

THREE STEPS TO RELIEVING CONSTIPATION

A cleansing dose today, a smaller quantity tomorrow, less each time, until bowels need no help at all.

Laxative, and keep reducing the dose until the bowels need no help at all.

Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.

The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxative you ever tried.

Following an unusually warm day Friday, when the thermometer registered 85, a northern Friday night brought cold, rough weather for Saturday and the first killing frost of the season on Saturday night. The thermometer dropped to 20 Sunday morning and reached a low of 19 on Monday morning. Frost has formed each night since. It is thought that this cold spell will be helpful as it should retard vegetation and prevent too early blooming of fruit trees. Clear, bracing weather—just what the farms need—prevails today.

More than 100 No. 2 cans of string beans have been canned by Mrs. Gordon McAdoo, who is food supply demonstrator for the Allamore home demonstration club of Hudspeth county which was started in May, according to Miss Gladys Young, home demonstration agent. Mr. and Mrs. McAdoo have worked together and have irrigated a small garden spot from their stock tank, and have had fresh beans, squash, corn, pepper, onions, turnip greens, and spinach. They also canned a few each day for their winter pantry. There are four children in the McAdoo family.

F. L. Jennings' on Charles Mull's purebred Hereford ranch near Alice in Jim Wells county planted eight pounds of Rhodes grass per acre on 50 acres of additional land in February, 1935, and has grazed it for two periods and also secured two cuttings of hay. In the spring of 1935, about 60 head of cattle grazed this pasture down, thus causing the grass to spread. In the summer a cutting of hay was made and stacked loose without weighing. Cattle were grazed during the summer again and removed later to allow a hay crop to develop. In early October one and a half tons per acre of bright hay were cured. "I was well repaid for planting this crop for grazing," Jennings said, "and in addition I secured two hay crops." This ranch has several fields of Rhodes grass and will have more next spring.

COMMISSIONERS' COURT.

Commissioners' Court met Monday, January 13, with all members present.

It was moved and ordered that Medina County accept the offer of selling room and canning materials and that the county donate the canning and equipment located at Devine to Devine Chamber of Commerce and the cannery located at Yancey to the P. T. A. of Yancey.

Ordered that \$1,000.00 be transferred from Road Fund Precinct 2 to Erosion fund, pending receipt of auto tax collections at which time said amount shall be re-transferred to said road fund.

County Clerk instructed to notify Del Rio-Winter Garden Telephone Co. to move their lines from Lytle to Natalia along highway No. 2 to conform to proposed widening of said highway.

W. S. Lilly was allowed \$20.00 per month rent for buildings furnished for Relief Department.

After a recess until Monday, January 20th, court re-convened with all members present.

Petition for election for Park Bonds was heard and election ordered for February 29th.

Upon motion made, seconded and carried it is ordered that the County shall continue on the fee basis and not under a straight salary basis, same being optional under the recently enacted law.

Ordered that Rothe & Koch Building in D'Hanis be leased for a J. E. office at \$2.50 per month, payable monthly.

Ordered that the requirement that the county pay the sum of \$48.50 being one-half of the salary of Theo. Cagle, NRS man, for the month of January and until the government is able to continue his full salary, be paid, this action being necessary in order to obviate the necessity of having applicants for county labor projects from going to San Antonio to have their applications acted upon.

After other routine matters were transacted court recessed subject to call.

REDBIRDS WIN OVER ELBELS AND LOSE TO BROOKS FIELD.

The Hondo Redbirds made it six straight victories without a defeat, when they trimmed the Elbel crew of San Antonio last Friday night at the local gym. The score was 34 to 29.

Tuesday night the local team journeyed to San Antonio where they met their first defeat of the season at the hands of the Brooks Field quintet. This win for the soldiers evened the games between the two teams, the Redbirds having won over them earlier in the season. The game was close throughout the first half with the San Antonio team having an edge of two points at the end of the first period. The Redbirds were outclassed in the last half, with the lack of reserves and the fouling out of DuBoise, one of the main cogs in the Redbird line-up, and the final whistle found them trailing by the score of 32 to 16.

Barry and Sadler were high point men for the Redbirds.

Tonight the local quintet meets the Sabinal team in a game at the Fair Grounds Gym. The game will start at 7:45. Come out and help the home team win.

On bank night the names of Miss Halie Beth Williamson of Sabinal and Mr. Arthur Schulte of Hondo were called to receive the \$100 and the \$20 respectively. As neither was present, the bank accounts were increased to one \$100 and one \$40.

County Judge Noonan informs us that road and bridge work under the WPA direction will begin next Monday in both the D'Hanis and Castroville precincts. Some two hundred men are eligible to work under this program, and despite the handicaps of red-tape Medina County is securing some valuable and permanent road work. There are also twenty-four women employed in sewing under the WPA plan in Medina County.

The Uvalde Production Credit Association is endeavoring to approach 100 per cent attendance at its annual meeting which will be held in Uvalde, January 27, according to R. H. Atney, Secretary-Treasurer. Quite a little rivalry has developed among the associations over the State, each trying to beat the others in the percentage of members in attendance at the meetings. Every member has been asked to bring at least one guest.

As we went to press Friday of last week with the last run of this paper a serious break was discovered in our press. In the older days it would have meant the replacement of a vital part of the press or a new machine. But thanks to the skill and modern equipment of our young friends, Milton Mechler and Mr. Mumme, the damage was repaired Friday afternoon and the paper came out Saturday morning, twenty-four hours late, but out just the same. Many thoughtful people condemn "Technocracy", but for us give us modern skill and implements.

At the Baby Show held Wednesday night at the Colonial Theatre by a photographer's studio from San Antonio, a large number of babies' and children's pictures were shown on the screen. In the drawing for awards, the children of the following were selected to receive prizes of an oil painting of each winning child: Shelton Bell, Clarence Neuman, Leslie Holloway, C. B. Shipman, Tom Watson, A. Dominguez and J. Santos.

The baby daughter of Mr. and Mrs. L. A. Smith received the booby prize for the youngest baby photographed as she was only 12 days old at the time. Many future belles and beaux of Hondo were among the handsome babies shown.

Joe Breiten, et al, vs. Armon Breiten and Joe Ney, et al, suit for construction of will of Jos. and Katie Breiten, deceased. This case on trial when we went to press, was continued on account of service not having been completed.

L. W. Burrell, et al, vs. H. E. Haass, et al, election contest. In this cause contestants were attacking the result of the recent school bond election at Castroville. On Jan. 17th, all parties announced ready. Pleadings read, evidence heard, and recess called until next day at 9 A. M., Jan. 18, 1936. Evidence resumed. All parties close. Judgment finding election resulted in majority of two against the issuance of bonds. Contestants except and give notice of appeal to the court of Civil Appeals for the 4th Supreme Judicial District of Texas sitting in San Antonio.

Jeff Sanders et al, vs. Mrs. Julian Robinson, et al, partition. Receiver directed not to sell property for offer made, and both cause and receivership continued as per order of court on file.

Joe Applewhite vs. Will F. Naegelin, et al, suit for damages. Dismissed for want of prosecution.

On Monday, January 20th, court resumed for the third week.

The following petit jury for the 3rd week was empaneled:

Louis Rieber, Wesley H. Heyen, H. H. Decker, Wm. Mann, Oscar Moehring, Louis Grube, Alfred Brucks, Henry Finger, Willie Britsch, Fritz Fuos, Wm. Schott, Emil Groff, Adolph Ihnken, And. H. Gefinger, Louis Schweers, L. C. Howard, Alfred Haby, Frank Saathoff, Edwin Rihn, Aug. L. Tschirhart, Willie Oppelt, Harry Hans, Otto Haegelin, John Rieber, Arnold Finger and Herman Oefinger.

H. H. Decker, L. C. Howard and John Rieber were appointed Jury Commissioners to select jurors for the August 1936 term.

Willie Virginia Forester vs. Norris Forrester, divorce. Judgment for plaintiff for divorce as per decree on file.

Martin Lee Petty vs. Edith Ferrell Petty, divorce. Divorce granted.

Following is the expense bill for the term:

Grand Jury \$117.00
Bailliffs 24.00
Second Week's Petit Jury .. 99.00
Third Week's Petit Jury .. 78.00
Sheriff's attendance, 7 days .. 28.00
District Judge C. R. Sutton .. 42.05
District Judge Joe J. Montague 44.75

TOTAL \$432.80

Court adjourned for the term on Monday evening, and jurors summoned for next Monday will not be required.

BRIDGE TEA.

One of the loveliest social affairs of the month was the bridge and tea given Tuesday afternoon by Mrs. J. G. Barry and Mrs. Marion McDowell, at the home of the latter. A Valentine motif was successfully carried out in all appointments, the rooms being decorated in a red and white color scheme with the favored flowers red carnations, white stock and white candytuft. Receiving the guests were the hostesses, Mrs. Barry attractive in a red taffeta frock and Mrs. McDowell wearing a lovely gown of brown lace. They wore shoulder corsages of sweetpeas.

Following the bridge, prizes were awarded Mrs. Nora Bendele for high score, Mrs. W. O. Rothe for second prize, Mrs. O. H. Miller the traveling prize, Mrs. H. J. Meyer for consolation, and Mrs. Louis Grube for low score.

In the dining room, the tea table was laid in an all-over lace cloth with a centerpiece of red candles in crystal holders flanking a crystal bowl of white candytuft, red sweetpeas and red roses. Serving the congealed fruit salad was Miss Jacqueline Adams, while Miss Perry Chamberlain poured the coffee. In buffet style refreshments of sandwiches, nuts, mints, canapes, and angel food squares iced in white and embossed in red hearts, were served.

Bridge guests included Mesdames R. J. Reilly, L. E. Kollman, Jr., Emmett Kollman, M. I. Broxton, H. J. Meyer, R. C. Rath, Fritz Leinweber, Henry Merriman, N. C. Johnson, W. H. Case, E. J. Leinweber, O. H. Miller, R. J. Noonan, W. H. Smith, Garland Martin, Volney Boon, Ben Bradley, Will Crow, Ben Oefinger, Earl Starnes, Otis Schuehle, Nora Bendele, L. J. Brucks, L. E. Heath, W. O. Rothe, J. M. Finger, F. H. Schweers, A. H. Schweers, R. L. Jennings, P. C. Gaines, T. B. Knopp, Hy. Windrow and Louis Grube, and Misses Lillian Brucks, Thelma Wilson, and Frances Finger.

Tea guests were Mrs. Elsie Worden, Misses Willie D. Fly, Barbara Stubbs, Catherine Claypool, Wilma Spratt, Olivia Shaw, Eddie Connor, and Lucy Richards.

LADIES' BRIDGE CLUB.

Mrs. Earl Starnes entertained the Ladies' Bridge Club and several guests at bridge on Thursday afternoon of last week. Trophies were awarded Mrs. O. B. Taylor for high club score and Mrs. Otis Schuehle high guest score. Mrs. Alice Reinhart cut high for members and Mrs. C. J. Schuehle cut high for guests.

Refreshments of peach salad, deviled eggs, saltines and coffee were served.

The club and guest personnel included Mesdames L. J. Brucks, J. M. Finger, Fletcher Davis, L. E. Heath, Robert Kollman, W. O. Rothe, Alice Reinhart, O. B. Taylor, Otis Schuehle of Corpus Christi, Fred Spilker of New York City, Ed. Cameron and C. J. Schuehle, and the hostess, Mrs. Starnes.

RESOLUTION.

Hondo, Texas, Dec. 10, 1935. Hon. County Commissioners' Court of Medina County, Texas, Hondo, Texas.

Gentlemen:

We, the underigned, constituting the Farmers' Council of Medina County, Texas, respectfully present the following resolution which was passed by our Council at a meeting held on Dec. 9th, 1935, and request that same receive your earnest and immediate attention.

RESOLUTION.

Whereas, during the recent world war the flower of our citizenship offered themselves in the defense of our country, many of whom made the supreme sacrifice by giving their lives;

Whereas, it has long been the desire of our people to establish a fitting memorial in recognition of said patriotic services, and in memory of our dead heroes;

Whereas, we believe it would be the wish of our said soldiers, if they could express such wish, that any memorial erected in their memory should be one useful as well as beautiful;

Whereas, it is the consensus of opinion among us that nothing more decorative or useful could be constructed than a beautiful County Park with a fitting bronze tablet, which could be converted into a State Park maintained by the State and at the cost of the State;

Whereas, for a number of years Armistice Day has been commemorated and kept by our people at the Medina County Fair Grounds which place is most excellently located and equipped for every kind of lawful amusement, with an abundance of good water and electric lighting;

Whereas, said premises consisting of 90 acres of land could be beautified as a park and also used as a place of amusement and for agricultural exhibits by the people of this county;

Whereas, said premises could be purchased at a reasonable cost of approximately \$20,000.00 including the land and costly improvements;

Whereas, we find that Medina County out of its present levy of taxes can purchase said property and pay for same, over a period of years, without any additional tax levy, thus giving us a fit and most worthy memorial of our departed heroes;

Therefore, we ask that a petition be prepared which we will circulate, calling for an election throughout Medina County, authorizing and directing the Commissioners' Court to issue Park Bonds in the sum of approximately \$20,000.00, for the purchase of said property by the county, and that same be duly dedicated to the Sacred Memory of the War Veterans of Medina County; we further ask that immediate steps be taken to secure Federal and State approval of said park site in order that same may be made into a State Park, maintained by the State, and that the improvements, and land not needed for park purposes be retained by the county for agricultural and amusement purposes.

Respectfully submitted,

MRS. HUBERT ZINSMEISTER DEAD.

Mrs. Hubert Zinsmeister of Brackettville died at a hospital in Del Rio Tuesday, January 21, 1936, and was buried at Brackettville Wednesday.

Mrs. Zinsmeister had undergone an operation but was thought to be well on the road to recovery when a sudden heart attack proved fatal.

She was a Medina County girl, leaving here some twenty or more years ago to make her home in Kinney County. Besides her husband and children she is survived by a large number of relatives, many of whom reside in Medina County.

Mr. Fritz Senne, brother of the deceased, furnishes us the following list of mourners who attended the funeral:

Mrs. Jacob S. Karm, Geo. Karm, Mr. and Mrs. F. G. Senne, Mr. and Mrs. C. H. Hartman, Mr. and Mrs. Anton Folk, Mr. and Mrs. Arnold Lindeburg, Mr. and Mrs. Ben De Grodt, E. H. Hartman, Henry Poehler, F. D. Neuman, John Moehring, C. J. Bless, Paul Renken, Mrs. Henry Schuehle and sons, Walter and Henry, Emil Pressele and son from Hondo, Mr. and Mrs. Louis Zinsmeister and Mr. and Mrs. Anton Lebold of Bandera, Mr. and Mrs. John Herzog and son, Louis, of San Antonio, and others whose names we failed to hear.

QUIHI NOTES.

And Abraham rose up early in the morning, and took bread . . . water . . . gave it unto Hagar . . . and the child, and sent her away. Gen. 21: 14.

Neither sage nor poet nor historian will ever venture to tell the full tale of parting scenes and the pain and agony that go with them in so many instances, from the harrowing moment when the angel drove the first parents out of paradise, from the tearful scenes when Abraham bid adieu to "Home, Sweet Home", under God's advice, down the long, long line to the minute when the last man closes his eyes in parting from this world, where parting is an essential feature. But few have been spared this sorrow and pain, sometimes a matter of sheer necessity, sometimes of more or less thoughtless choice. The lad going off to school, the bonnie bride, the youngster in quest of better chances, the soldier marching on to warfare, the sturdy emigrant looking for a new home where he can live according to the dictates of his own conscience, the mariner in pursuance of his trade, the explorer in the fire of keen ambition, and so on, they all went through with it, and know something of those hot, scalding tears of nostalgia, of homesickness, welling up before leaving, streaming down in lonely nights, far, far away from home. Well do we remember the occasion in Paris, France, during the last exposition there, when Sousa's band, after a series of other selections, paid our national anthem. The thousands of American tourists surrounding the pavilion were carried away with the familiar strains, they sang with fair courage the first stanza, and then broke down with sobs and tears. Homesickness, and beyond control. Of course, we know civilization would never have been carried onward, science never have grown, "the land of the brave and the free" never settled, the "Winning of the West" never accomplished, and this terrestrial globe in its main parts would lie fallow, without someone braving the terrors of homesickness. But this does not diminish the pain in the least, whether its the king parting from his royal realms or the bondwoman with her child pulling out in the chilly morn on a long and dangerous trek abroad. As ever so often, the woman hears the main bulk of sinful consequences. But the higher purpose must prevail, the fountainhead of sacred history must remain uncontaminated. Hagar had, forcibly, to help along—by leaving.

Those sudden jumps of weather extremities, summer heat today, bitter cold tomorrow, has added a long row of families to our sick-list. Lack of precaution is rather expensive and dangerous. Prayer alone will not do. Services were "on the blink", and even the Luther League program attendance showed the drastic effects. But we pulled through in good grace and those present had a fine evening of it. Here are the numbers for the next program: Recitations, Miss Crystal Boehle, Emil Mumme; select readings, Miss Irene Nietenhoefer, Mrs. Arnold Lindeburg; vocal selections, Mrs. Clarence Saathoff, Miss Della Hartman; instrumental number, Miss Aleen Grell, plus the standing numbers. Let not the winter get away with us.

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor's Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know about, for the relief of headaches, or the pains of rheumatism, neuralgia or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains . . . and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

CHEVROLET SALES.

Chevrolet retail sales in the first 10 days of January virtually paralleled those for the same period last month, and established an all-time record for the period in question, it was announced today at the offices of the Chevrolet Motor Company here. New car and truck sales reported by Chevrolet dealers totaled 23,966, and used car sales 24,370.

The new unit sales figure represents a 215 per cent increase over the corresponding figure for 1935, and the used car figure is 75 per cent above that for the same period last year.

"Nowhere in the January sales annuals of the company is there anything to compare with these records," said W. E. Holler, vice president and general sales manager. "The closest approach, in new car sales, was in Jan. 1930, but it was 9,000 units under the January 1936 record. In

used car sales, the best previous first 10 days in January was in 1931, and it was 14,000 units under the figure just achieved."

Production for the month is set at 110,000 units, Mr. Holler added.

LIBERATING FACTOR.

Those who hold to the doctrine that farm prosperity can only be restored by artificial buttressing farm prices will regard every instance of price-decline as a national misfortune. But to those who look beyond the painful adjustments of the immediate present, the Supreme Court decision may appear as a liberating factor. It removes shackles upon productive activity which reduce the Nation's real wealth and opens the way to an expansion of farmers' markets by encouraging increased sales of farm products at lower prices. The return to a system of uncontrolled, untaxed production of basic farm commodities will also mean increased business for industries engaged in processing operations. It should add to the real income of wage earners and thus help to maintain and increase their demand for foodstuffs, clothing and other necessities. It may facilitate the export of surplus crops, notably cotton, and thus in numerous ways strengthen the position of the farm population. The only way in which a higher standard of living for all the people can be assured is to utilize our productive resources instead of curtailing them. Our experiment in controlled scarcity has been a costly undertaking which has created more problems than it has solved. The calm reception accorded the Supreme Court decision is the best possible proof that the country as a whole realizes that prosperity does not depend upon artificial recovery devices. Emphasis is now laid upon those natural recuperative forces that have brought us out of previous periods of depression and guided us along the road to a recovery in which all economic groups should share.—Washington Post.

"MEDICINE-MAN" ECONOMISTS.

In a recent address, Charles R. Gay, President of the New York Stock Exchange, paid his respects to economic cure-alls and self-appointed prophets.

He said that "the state should refrain from trying to supply power for the economic machine," and that insofar as the state's contribution to prosperity touches economics, it will lie in "equitable taxation," the wise regulation of monopoly and unfair competition, and a sound currency and credit system.

"The government will need expert counsel in these matters," he continued. "Here the economists of true and penetrating vision can function when the 'new' economics of the depression has had its day, completed its experiments and retired—to compute the cost."

"In times of doubt and distress there are always new, plausible prophets who find a hearing by announcing they have discovered a cure for the troubles which afflict society."

"The itinerant medicine man used to sell his nostrums for \$1 a bottle, with a guarantee that it would cure headaches, chills, or any other ache or pain. He gained his following because of the public's ignorance and desire for a quick remedy, and I suspect that the same human weaknesses account for the popularity of today's economic cure-alls."

"With the gradual return of better times, these prophets will slowly sink back into obscurity. I think I can detect signs of their approaching eclipse."—Industrial News Review.

THE AMERICAN HERITAGE.

"We have become a great nation because we are a nation of fearless individualists. We have no caste, no privileged few; and the little child born in the tenements is a potential president of the United States. This is our heritage. No depression can take away from the true American his desire to climb and his desire to achieve. The history of America is filled with the stories of men who battled their way through barren wilderness, who blasted their way through mountains of rock, and laid the foundations of cities and businesses that stand as testimonials to this country and its opportunities. . . . For the track walker becomes the railroad president, and the farm boy becomes the president of a great bank." From an address by Roy H. Faulkner, President, Auburn Automobile Company.

QUESTIONS BEING ASKED RE-SETTLEMENT WIVES IN STEP SETTLEMENT WORKERS.

Q. I'm not on a farm and I have no equipment. How can I get on one?

A. The Resettlement Administration has not launched a farm-buying program, so the only way such a man would get on a farm is to rent one. If he has made arrangements for a farm and is unable to secure necessary credit from any other source, he should get in touch with the County Rehabilitation Supervisor and make application as a rehabilitation client, or if he is unable to rent a farm until he has arranged for a team, equipment and supplies, he should first see the County Supervisor and determine whether he can qualify as a rehabilitation client.

Q. I've lived in town for fifteen years, but I was raised on a farm. How can I get a farm?

A. This is a FARMER program—not a farm program. Resettlement will help only families who, when last gainfully employed, made the major portion of their living from farming.

Q. Will you help anyone now living in town?

A. Not if they made their living in town prior to the depression. Families forced to leave the farm due to loss of equipment, money, homes, and leases will be helped back to the farm for a new start.

Q. I'm about to lose my farm. Will you refinance it?

A. No. Resettlement does not refinance real estate loans. However, the Debt Adjustment committees in each county may be able to help this farmer get refinanced through some other agency. He should present his problems to them.

Q. Will you help me buy the farm I'm renting? It's worth the money.

A. We hope to be able to do this for a few farmers this year. However, if the Bankhead-Jones farm tenancy bill now in Congress is finally passed, the government will be able to help a great many farmers buy land.

Q. I have a chance to rent a good farm, but the landlord won't rent to me if I get help from you. He says you tie him up for three years. He says you won't even let him go in and finish the crop if I let it go to weeds. Do you demand a three-year lease?

A. Resettlement does not enter into negotiations for the lease, and does not dictate its terms. The only thing Resettlement demands is that the farm be capable of growing a living for the family. However, if the renter wants to borrow for berry plants or other fruit to grow on the land, the lease must cover a greater period of time so that a reasonable amount can be realized from these plants.

Q. Must the owner waive his right to share of the crop?

A. No, but he does have to relinquish any claim to the tenant's share.

Q. I live in Dallas County, but want to rent a farm in Hill County. Can I change counties?

A. Yes, but it is more difficult to get the loan approved as it must be checked by the supervisors in both counties, then approved by the state director.

Q. Must the farmer have been a resident of the community any certain length of time?

A. No, but it is much easier for him to get approved in a county where he is known.

Q. Do you buy feed and seed, mules, and equipment for these families?

A. No. We lend them the money to do their own buying. Of course, we expect them to buy to good advantage, and for this reason the county supervisors must approve all major expenditures.

TENANTS FORCED TO FARM POORER LAND.

Tenant farmers of Medina County have been shifting to poorer land during the past five years, according to analysis of Census Bureau figures made this week by C. A. Wennmohs, local supervisor for the Resettlement Administration.

The number of share croppers in this county has been reduced by 28 in the past five years, the supervisor said, and many of them have become landowners, but they have settled on such poor land that their status is no better than before, if as good. "There are now 315 families of share croppers in this county, as compared with 353 families in 1930," the supervisor said. "The total number of farms, both tenant and owner operated, is now 1799, as compared with 1590, an increase of 209."

Ellis County was cited as an outstanding example of the shift of share croppers away from good land. Ellis County land is valued at \$55 an acre, three times the average value of farm land in the whole state. There are only 1,232 share croppers in Ellis County now, as compared with 2,573 five years ago, a decrease of 1,341. Owners of this good land have found ways of operating more acres with fewer men. Much land has also been turned to pasture. Many of the tenants thus forced to seek new location have gone to other counties, where land is cheap, but less productive. The record of one such county shows that the land there is valued at only \$17 an acre, and there has been an increase of 715 in the number of farms.

"Many of those forced to seek new locations have been able to get a start as managing tenants, with funds loaned them by the Resettlement Administration to buy teams, tools and supplies," Wennmohs said.

It has been previously announced that seventeen projects are now being studied in Texas and Oklahoma for assisting farmers toward ownership of good land. These projects will care for only a limited number of farmers in a few selected counties. Action on a much larger scale would be provided under the Bankhead-Jones farm tenancy bill now before Congress.

Dialogue is the yeast or baking powder of drama.—John Mason Brown.

For every one of the more than a million and a half dollars their farm husbands have repaid on rehabilitation loans, Texas Resettlement wives have stored in their pantries, cellars, kitchens, and bedrooms a full dollar's worth of food grown on these farms or picked from wild plants.

To be more specific, they have canned 5,489,236 containers of food, averaging quart size, and including pint bottles of juices, quarts of vegetables, half-gallons of fruits, gallons of honey, and barrels of sauerkraut and pickles. In addition to the canned products, they have dried and cured 3,876,165 pounds of meat, fruits, and vegetables, or an average of 228 containers and 161 pounds of food per family. In Medina County, Miss Myrtle K. Montgomery, home supervisor, reports a total of 12,534 containers and more than 398 gallons of molasses, canned during a six weeks period.

"In an average county the cost of supervising and encouraging this canning was only one-third of a cent per quart of food canned," according to Miss Montgomery and this county's cost is in line with this general figure. In addition to showing women how to can, a very important phase of her work is teaching mothers to budget this canning so that the diet will be well balanced, and health and strength maintained for the grueling climb to stability.

Miss Montgomery says the primary purpose of this program is to make these families independent and self-reliant through educational as well as financial backing. As soon as the preliminary farm and home plans are completed the home supervisor's function is that of guide and teacher who demonstrates better methods of living in order that the home may use more effectively the products of the farm. This includes gardening, poultry raising, dairy work, hand-made articles, comforts in the home, and sanitation.

The making of nearly a thousand mattresses out of their own cotton, renovating, and remodeling ten thousand dollars worth of clothing, and the neighborly exchange of more than 64,000 pieces of literature gives some idea of the tremendous importance of work other than that of home budgets and canning.

"The best part of all this food conservation program is the fact that it saves the cash received from crops for acutely needed clothing, medical attention, books, and recreation," Miss Montgomery believes.

OUTSTANDING AUTHORITIES TO SPEAK AT OUR LADY OF THE LAKE COLLEGE.

Local Citizens Invited.

The Department of Economics of the Our Lady of the Lake College invites the members of this community to attend the second annual series of lectures, open to the public and free of charge, which it has arranged on current topics of social interest. Some of the leading authorities in the South are to speak.

The series is as follows:
1. January 29, AUTHORITY VS. LIBERTY, OR THE STATE VS. MAN, by Dr. C. P. Patterson, author, professor in government, University of Texas.

2. February 6, THE SILVER POLICY OF THE UNITED STATES by Dr. James C. Dolley, author, professor in finance, University of Texas.

3. February 20, COTTON, by Dr. A. B. Cox, author, professor, director of the Bureau of Business Research, University of Texas.

March 5, LEGAL ENGINEERING FOR SOCIAL ENDS by Judge Bryant Smith, author, professor, school of law, University of Texas.

5. March 12, CREDIT AND BANKING by Dean J. Anderson Fitzgerald, author, dean of the School of Business Administration, University of Texas.

6. March 19, SOCIAL DUTIES OF THE STATE, by Dr. W. E. Gettys, author, professor in Sociology, director of the Southwestern Social Science Bureau of Research, University of Texas.

7. March 26, REAL ESTATE, by Dr. E. K. McGinnis, professor in Law, School of Business, University of Texas.

Dr. Patterson, who is to give the first address is a well known and interesting speaker. He is dean of the professors of the Government Department of the University of Texas, and is author of books which are widely used. He is past President of the Southwestern Social Science Association. He was Carnegie professor in Europe in 1925, and was a Rockefeller-Spellman fellow in Great Britain in 1931-32. The lectures are to be given in the auditorium of Our Lady of the Lake College, West Commerce and 24th Street (on the Uvalde Road), at 8:00 P. M. Open discussion will follow each lecture.

JUST ONE QUESTION.

"I want a shave," said the sergeant as he climbed into the barber's chair. "No haircut, no shampoo, no rum, witch-hazel, hair-cream, hot towels, or face-massage. I don't want the manicurist to work on me, nor the boot-black to handle my feet. I don't want to be brushed down, and I'll put on my coat myself. I just want a plain shave, with no trimmings. Understand that?"

"Yes, sir," said the barber quietly. "Lather, sir?"—Army and Navy Journal.

A prisoner pleaded guilty, but the jury brought in a verdict of "not guilty."

"What do you mean?" said the judge; "the man has confessed his guilt."

"Yes," replied the foreman, "but he is the biggest liar in the county."

Handsome is that handsome does. Goldsmith.

FINE FARM FOR SALE.

The L. J. Schmidt 640-acre farm, 1 1/2 miles northeast of Yancey and one mile east of Yancey-Hondo road, is for sale on easy terms. This is a beautiful tract of land lying in a square and is faced along the entire south side by a public road. It is a fertile, sandy loam soil and every foot is tillable. There are three fields, one of 185 acres, another of 115 and another of 10 acres, or a total of 310 acres in cultivation. The balance of 310 acres is divided up into two pastures and a trap for work stock, and all three are accessible to and are watered by a large earthen tank. This tank is kept constantly supplied by the overflow from a never-failing well nearby. The well is fifty feet deep and has never failed in water. It is equipped with windmill. Also there is a 90-foot drilled well with a head of 45 feet of water within 100 yards of the center of the tract. Place is well fenced throughout, has two comfortable tenant houses, big double barn and other out buildings. Property is located in a good neighborhood, in easy walking distance of a first class agricultural high school, postoffice, store, and Methodist and Baptist churches. Place will be sold at a moderate price, on easy terms. The man wanting a good farm home or a farm investment, close to both a proven oil and gas field, will do well to see or communicate at once with either the owner or either member of the HONDO LAND CO.

PLAY FIRST SEEN IN 1912.

The story of "Rose of the Rancho"—the beautiful, high-spirited Spanish girl who led her people against the rapacious American land-grabbers in the first years of California's statehood—has thrilled motion picture and stage audiences alike for more than twenty years. Now for the first time this dashing romance of old Monterey comes to the screen with a musical score, the first original opera-type score ever written for motion pictures, with Gladys Swarthout, brilliant star of the Metropolitan Opera, and John Boles, handsome dramatic singer, in the leading roles. "Rose of the Rancho" will be seen at the Colonial Theatre Monday and Tuesday.

The original play written by Richard Walton Tully and David Belasco, was first seen on Broadway in 1912. Two years later Cecil B. DeMille made "Rose of the Rancho" into a motion picture with Bessie Barriscale and J. W. Johnston as its stars. Music, however, was not blended with the drama of the Spanish Dons until its revival for Miss Swarthout and Boles, with Charles Bickford, H. B. Warner, Willie Howard, Herb Williams, Grace Bradley and others in the cast.

Miss Swarthout, who begins her sixth season this year with the Metropolitan Opera, undertakes a dual role in the picture. She is cast as the heroine, "Rose", and as "Don Carlos", who rides a great white horse in nightly sorties against the unscrupulous Americans who are seeking to wrest the great estates from the Spanish Dons. She sings five songs and one duet with Boles, and performs the intricate "Sobremonte" dance as the story unfolds.

SAN ANTONIO LIVESTOCK MARKET.

January 20, 1936.

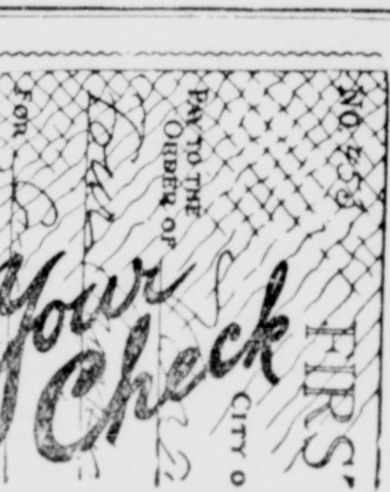

(Federal-State Market News Service)
Cattle receipts 803, calves 1241. Supplies on sale were only fairly liberal on the San Antonio market at the opening of the week as several cars included in receipts were received on direct and through billing. After ruling steady last week, the market was active today and mostly steady on all classes except short fed which were slow and weak to 25 cents lower in instances. A fairly liberal supply of short fed yearlings weighing from 600-795 lbs. cashed from \$6.50 to \$7.50; good slaughter grass calves and light weight yearlings \$6.00 to \$6.50, medium grades \$5.00 to \$6.00 with plainer kinds down to \$3.50. Common to medium grass steers brought mostly \$5.00 to \$6.00. Fat beef cows cashed \$4.00 to \$4.50; butcher kinds, \$3.50 to \$4.00 while cutters and low cutters sold at \$2.50 to \$3.25. Weighty bulls mostly \$4.50 down to \$3.25 for light weights. Well bred stocker calves and light yearlings moved out at \$5.00 to \$6.00, plainer kinds less.

Hogs, receipts 89. Price levels on the better grade hogs remained about steady last week with a top of \$8.50. The opening market today was active and steady with last week's close; best 175 to 235 lb. truck offerings \$8.50 top; 140 to 150 pounds \$7.00 to \$7.50; 150 to 170-lb. \$7.50 to \$8.00; 240 to 280-lb. \$7.75 to \$8.25; 280 to 350-lb. \$7.00 to \$7.75. Packing sows sold mostly at \$7.00 to \$7.50. Heavy weight hogs were weak and unevenly lower last week but demand is good for these weights today.

Sheep receipts none. Market nominally steady; fat lambs quotable \$7.50 to \$8.00; aged slaughter wethers \$4.50 down; goats, \$2.50 down, according to quality and finish.

Receipts shown are from 6 A. M., Saturday, to 6:00 A. M. Monday.

CASTROVILLE, TEXAS, TUESDAY, JANUARY 21, 1936

Mr. Aug. Etter and Mr. Armin Schneider and family were at Hondo Tuesday to visit Mrs. Etter, who is at the Medina Hospital for medical treatment.

Oscar Bendele of the French Settlement was a business visitor here Monday.

Mr. A. Wadley, who lives out on the San Antonio road, sideswiped a few posts on the other side of Frank Tondre's, Tuesday around noon, and overturned his car several times. He was brought to town and found to be severely injured and was at once rushed to San Antonio. The car is badly damaged.

A large force of men under the supervision of Commission Bippert is working up at the Medina Lake.

ALBERT BECK.

Mr. Albert Beck, Sr., died at his home at Haby Settlement on Wednesday, January 8, 1936, after an illness of several months' duration.

Mr. Beck was 67 years of age, being born October 30, 1868, at Haby Settlement. He was married to Miss Othelia Hans, who survives him. Two children preceded him in death, leaving to survive him five sons and one daughter, namely: A. O., Claudie C., Ralph, Albert, Jr., and Earl Beck of Riomedina, and Mrs. C. C. Childs of San Antonio. Three sisters, Mrs. Mary Bader and Mrs. Seb. Tschirhart of Castroville and Mrs. Jack Haby of Utopia, and a large number of other relatives and friends are left to mourn his passing.

Mr. Beck was an upright man, honest to the core. He was engaged in large farming operations during his whole lifetime.

The funeral took place Friday, January 10, at 9:30 A. M., and after a Mass of Requiem offered by Rev. Dean Lenzen in St. Louis Church, the deceased was tenderly laid to rest in the St. Louis Catholic Cemetery, where he rests in peace from all earthly labors and suffering.

A large concourse of sorrowing relatives and friends followed the remains to their last resting place.

We offer our sincerest condolence to the bereaved in this their hour of sorrow. May a good heavenly Father comfort them all in their great bereavement.

THE ELECTION CONTEST.

The election contest from the Castroville School District came to trial last Friday in the District Court at Hondo. This was the contest, in which the contestants claimed a large number of illegal votes were cast in said election. The trial came to a close Saturday evening, in favor of said contestants, the number of illegal votes thrown out being fifteen, this being the second time the contestants were declared to be in the right and the winners.

ELECTION ORDER.

THE STATE OF TEXAS, COUNTY OF MEDINA.

On this the 20th day of January, 1936, the Commissioners' Court of Medina County, Texas, being in regular session, at the regular meeting place thereof in the Courthouse at Hondo, Texas, all members of said Court being present, namely:

R. J. Noonan, County Judge
Alf. A. Bader, Commissioner Precinct No. 1
H. J. Bippert, Commissioner Precinct No. 2
O. W. Tondre, Commissioner Precinct No. 3
J. W. Roberson, Commissioner Precinct No. 4

the following proceedings, among others, were had, to-wit: There came on to be considered a Petition, signed by Hugh Cameron and 125 other property taxpayers of Medina County, praying that an election be ordered to be held in said County to determine whether a majority of the legally qualified taxpayers of said County desire the issuance of bonds of said County in the sum of \$20,000.00, for the purpose of purchasing lands within the boundary limits of said County, known as Medina County Fair Grounds Property, to be used for public parks and playgrounds; said bonds to mature serially or otherwise, not exceeding thirty years after date; and to bear interest at the rate of not to exceed 5% per annum; and to determine whether the Commissioners' Court of said County shall be authorized to levy, assess and collect annually while said bonds, or any of them are outstanding, a tax upon all taxable property within said County sufficient to pay the current interest on said bonds and provide a sinking fund sufficient to pay the principal at maturity.

It appearing to the Court that it is advisable and to the best interest of Medina County to acquire said property for public park and playground purposes, it was moved by Commissioner Alf. A. Bader, and seconded by Commissioner O. W. Tondre, that said petition be granted, and that there be submitted to the qualified voters of said County, who own taxable property in said County and who have duly rendered the same for taxation, the proposition for the issuance of said bonds and the levying of the tax in payment thereof, as prayed for in said petition. The motion carried by the following vote: Commissioners Bader, Bippert, Tondre and Roberson voting Aye; None voting No. Thereupon, the County Judge declared the following election order unanimously adopted by said Court:

WHEREAS, the County Commissioners' Court of Medina County, Texas, deems it advisable to issue bonds of the said County for the purpose herein-after mentioned; THEREFORE

BE IT ORDERED BY THE COMMISSIONERS' COURT OF MEDINA COUNTY that an election be held on the 29th day of February, 1936, at which election the following proposition shall be submitted:

"Shall the Commissioners' Court of Medina County, Texas, be authorized to issue bonds of said County in the sum of Twenty Thousand Dollars (\$20,000.00) payable serially or otherwise, not exceeding thirty years from date thereof, bearing interest at the rate of not to exceed 5% per annum; and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, for the purpose of purchasing lands to be used for public parks and playgrounds situated within the boundary limits of Medina County, as authorized by Section 1, Chapter 148, General Laws passed by the 42nd Legislature, regular session 1931, as amended by H. B. 172, passed by the 44th Legislature, Regular Session; and to levy a tax upon all taxable property within said County sufficient to pay the interest on said bonds and provide a sinking fund sufficient to pay the principal thereof at maturity."

The election shall be held at the following places, and the following named persons are hereby appointed officers for said election:

Precinct No. 1, at Court House, C. B. Leinweber, Presiding Judge; H. F. King, Judge.
Precinct No. 2, at Quibi, at School House, Robt. Riff, Presiding Judge; Emil Saathoff, Judge.
Precinct No. 3, Dunlay, at Sons of Herman Hall, Ad. Haby, Presiding Judge; Jno. Zuberbuehler, Judge.
Precinct No. 4, Verde, at Ben de Grodt's house; H. H. Saathoff, Presiding Judge; W. J. Saathoff, Judge.
Precinct No. 5, Riomedina, at School House; Otto Huegele, Presiding Judge; James U. Haby, Judge.
Precinct No. 6, N. Castroville, at J. P. Office; Archie Jagge, Presiding Judge; Emil Halbardier, Judge.
Precinct No. 7, D'Hanis, at Rothe & Koch Bldg.; Hy. C. Rothe, Presiding Judge; John Fohn, Judge.
Precinct No. 8, Haass, at Emil Bendele's house; Henry Bendele, Presiding Judge; Eugene Bendele, Judge.
Precinct No. 10, East Devine, at Thompson Bldg.; R. M. Redus, Presiding Judge; Alex Bohl, Judge.
Precinct No. 11, Black Creek, at School House; Harrison Harris, Presiding Judge; C. A. Duncan, Judge.
Precinct No. 9, Natalia, at School House; J. F. Riley, Presiding Judge; Jim Heath, Judge.
Precinct No. 12, Yancey, at School House; F. G. Senne, Presiding Judge; George Faselier, Judge.
Precinct No. 13, Cliff, at School House; A. N. Mangold, Presiding Judge; O. J. Wurzbach, Judge.
Precinct No. 14, Biry, at School House; Albert Bilhartz, Presiding Judge; Ed. Bader, Judge.
Precinct No. 15, LaCoste, at School House; John Geiger, Presiding Judge; Frank Bohl, Judge.
Precinct No. 16, South Hondo, at O. H. Miller's Office; A. L. Haegelin, Presiding Judge; Felix Batot, Judge.
Precinct No. 17, Upper Hondo, at School House; Otto Marquis, Presiding Judge; August Sprott, Judge.
Precinct No. 18, Elstone, at Fusselman's Gin; Gus Mann, Presiding Judge; J. J. Riff, Judge.
Precinct No. 19, West Devine, at J. P. Office; R. J. Killough, Presiding Judge; Phil Hymas, Judge.
Precinct No. 20, Mico, at School House; E. H. Seekatz, Presiding Judge; Ferd. Boehme, Judge.
Precinct No. 21, S. Castroville, at Fuos Bldg.; Aug. Mangold, Presiding Judge; Alb. Biediger, Judge.

Each presiding judge shall select two clerks to assist him in the holding of said election.

The said election shall be held under the provisions of Chapter 1, Title 22, Revised Statutes of Texas, 1925, and the Constitution and Laws of the State of Texas, and only qualified voters who own taxable property in said County and who have duly rendered the same for taxation, shall be allowed to vote.

All voters desiring to support the proposition to issue bonds shall have written or printed upon their ballots the words:

"FOR THE ISSUANCE OF PARK BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

and those opposed shall have written or printed upon their ballots the words:

"AGAINST THE ISSUANCE OF PARK BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF."

The manner of holding said election shall be governed by the laws of the State regulating general elections.

A copy of this order signed by the County Judge of said County and certified to by the County Clerk of said County shall serve as proper notice of said election.

The County Judge is authorized and directed to cause said notice of election to be posted up at the places designated for holding said election at least thirty full days prior to the date of said election.

The County Judge is further authorized and directed to have said notice of election published in some newspaper of general circulation published in said County, and which notice shall be published once each week for four weeks, the date of first publication being not less than thirty full days prior to the date of the election.

R. J. NOONAN,
County Judge, Medina County, Texas.

THE STATE OF TEXAS, COUNTY OF MEDINA.

OFF-HAND OBSERVATIONS

BY R. R. CLARIDGE,
Staff Contributor.

By federal estimate it has been ascertained that the farmer gets but two cents for the wheat going to make a loaf of bread. Maybe what goes with the other 7 to 9 cents seems too small a matter to bother about; but in the aggregate, it looms so big as to account for what little he gets for his labor, as the gap between his raw material and the finished product is as astoundingly wide in cotton, hides and other of farm products.

If, as estimated, five billion cash and forty-five billion credit, have been required to carry on the business of our country from way back, is it to be wondered why, with both cash and credit tied up for the last few years, that the wholesale deflation has worn to a frazzle, on a rough economic grind-stone, the noses of the American masses?

Unless you who read these few lines, belong to the neck-and-belly trust, so overfull of eats and drinks, as to have but little room for thinks, your mind will not wander far to discover why the proportion of credit, as compared to the cash required to carry on the business of the nation, has been so disproportionately enormous. You will readily see that the rake-off is greater for the credit men, on the credit than the cash. And, if, as provided by the U. S. constitution, the government would issue the money, it would cost the people nothing in interest or taxes.

Reminds that in recent issue of the Ferguson Forum, was copied a "new deal" talk by Tugwell, a higher up in the scheme to get rid of what little of democratic state rights is left to the nation, substituting therefor, socialism pure and simple, with a phase or two of the new deal bordering on bolshevism. I was well enough advised as to the Tugwell idea of a new deal to wonder if the Forum had come to back it. It had not. The Forum article wound up with a typical Forum roast of a government dominated by a few "intellectuals," as Tugwell calls them, and backed by a mass of half-starved mendicants, in fact, but little different from that prevailing in Russia.

That the wide world needs a new deal is coming to be appreciated, it appears, by the wide world, save and except the gilded few who have for the longest ruled it. They were satisfied with "existing conditions" as long as they existed mainly for their benefit. But getting in too great a hurry to over-subscribe (five times over) another several billion dollar tax-free, interest-bearing bond issue, holding out of circulation for the purpose, the too scant supply of real money, followed by a tie-up of the forty-five billion dollars credit hither-

Again the United States has come to the end of a year of epochal importance in our history—again our 125,000,000 people enter a new year with hope and ambition and courage.

During the year just closed industry and agriculture, the only sources of wealth and employment, recovered some of the ground lost during the worst of the depression. Most industries made progress—some even came close to the production records attained during 1929. Near the end of 1935, business as a whole reached the highest point since early 1931.

Business commentators are almost unanimous in expecting 1936 to show improvement over 1935. Even so, business does not feel the jubilation it would normally feel under such circumstances, nor does agriculture. The upturn in business is encouraging—yet there is very little to give a feeling of confidence that we are approaching stability. While the financial and industrial barometer continues its climb, unbiased and far-sighted observers are gravely wondering what the future holds.

Why should this be so during a period that, measured by figures alone, cannot be called other than a period of recovery? There are many answers—but this, to put forward a generality before approaching the specific, is unquestionably true: Industry is afraid!

It is afraid of governmental policies, principally of federal origin, that seek to negate the spirit, and often the letter of the Constitution.

It is afraid of a spending policy—in which the federal government has led, and has been followed by many local units of government—that has caused our national debt to reach an all-time high, that has greatly increased taxes, and that must inevitably make still higher taxes necessary.

It is afraid of political programs which, carried to logical conclusions, make it impossible for industry to earn profits. A number of industries have had a taste of this already—they have sold more goods, employed more men, kept more factories in operation, yet have enjoyed no comparable increase in their earnings.

It is afraid of persecution of industry, and of measures which, in effect, transfer management from the owners and executives of industrial properties to officeholders in Washington, and, to a lesser extent, in state capitols. A notable example of this is the Public Utility Act of 1935, now in the courts, which marks a revolutionary departure from our time-honored concept of the proper relation between industry and government. Under the terms of this Act, electric companies can be forced out of existence with loss of billions of dollars to their stockholders, at the whim of a commission, and can be federally regulated in every phase of operation. to devoted to carrying on the nation's business, and you will all know what happened. And the worst of it all is that our alphabetical government don't seem to know what brought on the "emergency" and the "depression" in our stomachs, caused by a "surplus" of something to eat. And U. S. Secretary Wallace still thinks there is a surplus; but seems to have weakened quite some on his old deal, of plow-up, hold-out and beef graveyard back ground.

Meantime, let us hope that the old deal will not last till the alphabet is exhausted, and that we may get a new deal that will give the people a chance to eat up and wear out the surplus, when the depression, the emergency, etc., may become an unpleasant memory; in other words that we may fall heir to a real new deal, minus the natural gas and so much of the alphabet to keep up the pressure on our patience.

THE FACTS WE FACE.

Continued from first page

dustries, seeing this, know, that such a trend, once started, will not be long confined to a single industry, but will be gradually extended to others.

Business is afraid that private initiative and enterprise, foundation stones of the republic, are in danger. That our democratic theory is becoming tinged with alien theories which have sounded the death knell of liberty and freedom in other lands; that even a dictatorship looms on the horizon.

It cannot be disputed that the old status of State's Rights, for example has been drastically changed—the federal power has crept steadily into spheres that we used to believe were the sole province of state and local powers. This, whether we realize it or not, and whether those responsible for the change realize it or not, is the first step toward dictatorship. Under our Constitutional set up of government, no dictator could seize absolute power because the seats of power were purposely made many and widespread—one each in the 48 states, and one in Washington. As the powers of states are abrogated or lessened, and as the central power is augmented and strengthened, the opportunity for successfully establishing a dictatorship—whether it bears that name or another—is immeasurably improved.

It must not be forgotten that a short time ago a number of men holding responsible positions in government advocated, either directly or by intimation, Constitutional amendments and changes which would have given the federal government unprecedented powers over individuals, over industries, over agriculture, over all the rights and liberties for which our forefathers fought. Less is heard from high sources of such change now—but the kind of thinking that first advocates them remains.

The fears and uncertainties mentioned here, plus too much politics from all factions, are the greatest bars to real recovery, and to permanent stability. America still has her fertile soil—she still has her industries and her factories. She still has the machines which can produce the things that create genuine jobs, and that raise the standard of living of all the people. She still has the American spirit that faces great obstacles gladly, that approaches the most difficult tasks with jubilation. Let the clouds of doubt be scattered and we can go no way but forward!—Industrial News Review.

"I dug a trench silo, cut my feed, and filled my silo as cheaply as I could have cut and stacked the same feed," Walter L. Boothe, Nolan county farmer, told C. H. Clark, county agricultural agent. Boothe dug a silo with a 160-ton capacity for \$15 spent for labor. Cutting the feed and filling the silo cost him \$36, making a total cost of

\$50 for 160 tons of silage. He says that it would have cost him this much or more to have cut the feed, shocked it in the field and stacked it, as he has always done in the past. Nine other Nolan county farmers and ranchmen have filled trench silos with approximately 2500 tons of silage this year, according to Clark.

From The Devine News.

GOVERNMENT CANNERY DONATED TO TOWN.

Learning from Mr. J. W. Roberson that the government cannery, operated as a relief proposition at Devine, has been donated to the county, as was expected. Messrs. H. D. Talley, J. T. Lilly, A. M. Patterson, A. A. Bendle and H. W. Eschenburg, of the Chamber of Commerce, attended a meeting of the Commissioners' court at Hondo Monday afternoon, and persuaded that body to give the cannery to Devine. It is to be under the control of the Chamber of Commerce and will be operated in connection with the school. Mr. Talley suggests, or in some way that will be of service to the community. Pearl and other towns have been operating canneries in connection with the industrial departments of the schools. While in Hondo, they called up the Highway Commission's office and got assurance from him that actual work will soon begin on No. 2, probably between Lytle and Natalia first, or the underpass at Devine, which is a separate proposition from the state highway work, we believe.

County School Superintendent C. F. Schweers of Hondo visited our school here Tuesday and called at The News office, renewing for two years. He thinks our finances are in better shape this year; and many are paying taxes who have been behind, and all this helps.

FARM BARN BURNS WITH GREAT LOSS OF FEED.

The barn on the Kempf-Ehlinger farm, two miles east of Devine, burned Monday afternoon, with all the contents, including 400 bushels of corn, hog and other feed, needed in operating the farm, occupied by Eugene Ehlinger and family. The family had no idea how the fire originated. Mr. Ehlinger said he was in the barn half an hour before the fire broke out.

FROM BIRY.

Mr. Henry Biry and family of D'Hanis visited relatives here last week.

Mr. and Mrs. Charles Miller of Brackettville spent Sunday with her parents, Mr. and Mrs. Ed Bader and family.

Mr. and Mrs. Oscar Schmidt and family and Miss Hulda Brieden spent Sunday in Devine.

Mr. and Mrs. Oscar Schmidt and family and Miss Hulda Brieden spent Sunday in Devine.

Mr. and Mrs. Sam O'Neal were the guests of Mr. and Mrs. John Watson Sunday.

Miss Dorothy Watson spent Sunday in Moore.

Mr. and Mrs. Frank Bihartz and son of San Antonio spent Monday with Mr. and Mrs. Ed Bader and family.

Several from here attended the funeral of Mr. Albert Beck Friday in Castroville.

GET YOUR POLL TAX OR EXEMPTION RECEIPTS.

Tax Collector and Assessor Lou E. Heath and Assistant J. R. Duncan of Hondo took up headquarters here Monday, for this part of the county; and were in our office Monday afternoon and asked that we tell the people they will be in town Wednesday, Thursday and Friday this week. Also that young men and women who have become 21 since last January, or will be 21 before the election if they wish to vote, should get exemption certificates. They cost nothing, so be sure and get them.

FROM YANCEY.

Coach Eggen and his team went to Castroville last Friday evening for a game of basketball. The Castroville team were winners. Our team was weak on account of several of the team being sick; John McAnally recuperating from pneumonia, John Henry Muennink entertaining a case of mumps, and Bailey Crain fell off of a pitchig bronco several days before which made it impossible for him to play.

Mr. Elbert Wilson and family visited their brother, Roland, and family at Cotulla last Sunday.

Rev. C. F. Staben and Mr. Ed Houb were here from Cotulla last week-end. Mr. Staben presented us with a basket of beautiful ripe tomatoes from his garden. Mr. Houb has six acres of spinach growing five miles west of Cotulla.

Senne received the sad news of the tragic death of one of their nephews, who was accidentally killed last Saturday. The young man was a son of Mr. and Mrs. Henry Schuehle of Upper Quibi.

There are quite a number of cases of flu here, though none have proven serious so far.

Mr. and Mrs. George Wiemers and family of New Fountain attended church here Sunday.

Mr. Henry Hardt, Sr., has been on the indisposed list for some time. Mrs. J. G. Weekly and daughter, Mrs. Coy Berry, were Hondo visitors Monday.

COMMISSIONERS' COURT ATTENDS GALVESTON MEET.

County Judge Noonan and his four commissioners, including Mr. Roberson of Devine, attended a meeting of County Judges and Commissioners in Galveston for three days last week-end. Mr. Roberson says among other things they asked congress to pass a law permitting NRS men to work on WPA projects, where only relief men can now work.

Mr. and Mrs. Fred List and family from San Antonio were visiting relatives here Sunday.

Mr. and Mrs. Walter Geiger were the guests of Mr. and Mrs. James Haby and sons at Riomedina Sunday evening.

Mr. and Mrs. Oscar Groff from San Antonio and Paul Echtle from here were visiting relatives near Devine Sunday.

Mrs. Don J. Herzing, daughter, Doris, and son, Don J., Jr., recently visited with Mrs. Herzing's parents here.

Mr. and Mrs. G. H. Hacker and son and Mr. and Mrs. J. B. Rihn and sons from San Antonio were visiting relatives here Sunday.

Mr. and Mrs. Fritz Waltisperger and Mrs. Mary Burell of San Antonio were in LaCoste Sunday visiting relatives.

Mr. and Mrs. F. H. Hawkes, daughter, Mildred, and son, John P., of Eagle Pass spent a few pleasant hours with homefolks here Sunday.

Ernest M. Hawkes of Torrey, Texas, was a week-end visitor with his parents here, returning to his home Sunday evening after a very pleasant visit.

Mr. and Mrs. Louis Kriewald from the Medio were visiting relatives and friends here one evening the past week.

Mr. and Mrs. C. S. Hellums and Mrs. Theresa Obets and daughter, Miss Florence, were San Antonio visitors Tuesday.

According to word received from Mr. and Mrs. Paul Hutzler at Tesnus, Texas, by relatives here, Mr. and Mrs. Hutzler are liking their new home fine.

Mrs. M. A. Kauffman and daughter, Mrs. Ida Kauffman and Mrs. Henry Kauffman and daughter, Miss Marguerite, were visiting Mr. and Mrs. Harry Vonlie at Castroville last Thursday.

Messrs. Adolph Zinsmeyer, Ernest Hutzler and Adolph Hutzler were visiting Oscar Hitzfelder at the Santa Rosa Sunday. Mr. Hitzfelder underwent an operation Monday morning and was getting along nicely at this writing.

Mr. and Mrs. Harry Springer and Mr. and Mrs. Walter Powell of San Antonio and Mr. and Mrs. Alex Hutzler and daughter from here were the guests of Mr. and Mrs. Adolph Hutzler and family Sunday evening.

ACTORS BRAVE MANY RISKS IN NEW FILM.

Being a film actor is a more or less hazardous undertaking. Cary Grant and Claude Rains both decided during the filming of "The Last Outpost", the Paramount picture now running at the Colonial Theatre with Gertrude Michael and Kathleen Burke.

They narrowly escaped serious injury when a boulder weighing several hundred pounds broke off from a rocky escarpment under which they were working and hurtled to the ground at their feet. Working under cliffs on the desert is particularly dangerous during the summer months because contractions and expansions of the rock, due to the extremes of temperature, cause large chunks to break off and fall.

The location scenes which they were filming at the time of the near-accident show the heat-ridden sands and danger-packed jungles of Arabia, the background around which this romantic story is played. The picture, directed by Charles Barton, tells the dramatic tale of two brother-officers who come face to face with death as each tries to prove his right to the girl they both love. What happens furnishes a gripping melo-dramatic climax.

"The Last Outpost" is a thrilling, colorful account of war that was waged between Kurds and British on the Eastern front, in the Arabian deserts and jungles, and in the mountains of Mesopotamia during the World War.

Smilin' Charlie Says

"Seein' some o' these mushy movies sets me a wonderin' why th actors an' actresses call it WORK!"

HARRY'S DADDY.

By Elizabeth Giles Winn.

Little blue-eyed Harry barely swished me by, Seeming like a blue-bird flying toward the sky. Well do I remember his musical "bye-bye!" His little-boyish sweetness, with waving hand held high. And then I fell a-dreaming of one bright vest-year When my own boy was little—and oh, so very dear; And my heart kept on hungering, and longing all the more For Sonny dear to come to me as in the days of yore. And how I prayed that Harry might grow up big and brave, Just like his precious Daddy who loved him and who gave To him both love and hand-made toys; for well his Daddy knew That his and Harry's lives must be made happy, good and true. What matter that the father's life had twisted been by Fate; Or that the wife he loved so much he afterward should hate; For little Harry still was his, so loving and so sweet— One of the finest little boys that ever you would meet. And sometimes, in the lonely dusk, a soft voice from above Breathed gently, "Daddy, you'll win through, with little Harry's love."

So Daddy keeps on working hard, from early until late, And, loving Harry and his work, resigns himself to Fate. Not often can a father act a tender mother's part, But Harry's Daddy gives to him the treasures of his heart, And as the days pass by he goes more cheerfully along, For Life still has a purpose; the world is not all wrong. So Daddy's skies grow brighter, and even work grows light, So long as there is Harry, with clinging arms, at night. And while it's true that Fate piled up a sorry scheme of things, They still will have the recompense that loving always brings.
